## School on Wheels (Campaign 06)

It is SimbaQuartz's endeavor and dream to provide quality education facilities to the children of economically weaker families at its own level as these children also deserve it. They too should grow up to be IT engineers and help their families get out of financial difficulties. Free education can prove better than any financial help. SimbaQuartz will continue to do this service regularly

## 85th Food Sharing Campaign

SQ teams often visit Beas slums to distribute food to the people living in slums. Whenever the team has to go to distribute food in huts, the staff make tiffin and pack hot food. A few days back the team distributed food to children living in the slums of Beas and their parents. Some glimpses of the 85th food distribution drive in the slum-hut area of Beas, District Amritsar. The campaign is funded by SimbaQuartz under the company's Corporate Social Responsibility. The campaigns are self-funded campaigns.
