***“ Changing Lives
We Rise By Lifting Others “***

The fulfilling feeling of giving back and contributing to society is unparalleled. No one has ever become poor by sharing. It involves a certain amount of giving. It's not how much we give but how much love we put into giving.

As we grow older, we discover that we have two hands – one for helping ourselves and the other for helping others.” We all come to the world with the joy of having things, but when we leave this world, we should have experienced the joy of contributing and giving back to the society. That is a mature joy, the real joy. There's nothing more rewarding than giving back and making a difference in the lives of the people in this great community.

“ Giving is not just about making a donation. It is about making a difference.”

SimbaQuartz team goes prevalent in the Beas slum. The crew frequently prepares tiffin and packs hot food whenever the team has traveled to distribute food in huts. The team gave food to the parents and kids of the Beas slum dwellers. It was the 84th food distribution program in the Beas, District of Amritsar, slum-hut neighborhood. SimbaQuartz provided funding for the initiative as part of its corporate social responsibility program. These campaigns are independently funded.

Computer class- School on wheels

A unique initiative has been taken by SimbaQuartz to impart computer training to the children living in the Beas slums in which computer classes were conducted for the children in the company bus. It is the endeavor and dream to provide quality education facilities to the children of economically weaker families as these children also deserve it. Free education can prove better than any financial help.

Bags of blessings

Often during our Shoe Giving Campaigns under Mission “50000 Shoe To Give” in government elementary schools, kids are observed bringing books in polythenes or pesticide bags which usually farmers throw after using. SimbaQuartz team feels the kids and the books need respect, care, and the right school bag and therefore decided to provide these children with school bags.
